SWIFT
LINK
FOR *you*

FAST & DIRECT
Connect anywhere in Solomons

SATSOL
Connecting *you* is what we do

What is *SWIFT*LINK*?*

*SWIFT*LINK is a high-speed and cost-effective metropolitan area network (MAN) that allows you to connect multiple locations/offices within any town/city in Solomon Islands to run applications such as:
- **E-government**
- **Data backup services**
- **IP-telephony**
- **Local file sharing**
- **ATM network**
- **Video surveillance and security systems**
- **Office client-server applications**

Starting at
$1,000 * **SBD/MO**
per link

Speeds of up to
100 **Mbps**

* final plan and pricing subject to site survey

SATSOL Data Centre

In addition to **SWIFT**LINK you can order colocation services - renting rack space in our specially designed data centre located high above Honiara. This facility includes 24/7 security, backup power, and a climate-controlled environment which allows you to use a diverse range of applications without using your Internet bandwidth or data limits such as:

- **Disaster recovery**
- **Off-site backup**
- **Web hosting**
- **Data storage**

Rack Unit Rent
$2,120
SBD/MO
each

How to get connected?

It all starts with a consultation. **Contact us today and we will provide you with a service that is right for you.**
